## President's Message

This will be my last report as president as I will not be running for office again at the upcoming AGM. The past two years has been a great experience and I wish to thank all the members of your Board of Directors, your Activity Coordinators, and the many volunteers who have made our organization a success during that time. It has been a pleasure working with them.

During the past year we updated our By-Laws and changed our name to Calgary 55 plus Games Association to better reflect to the public our commitment to our many games and activities. We have new Zone 3 shirts, designed to incorporate this new name on the front and to include a Pickleball logo on the back along with our other activities. The shirts were delivered late in the year in time to be used for the 2015 Games.

We held successful and well-attended Summer Fun Games, a Summer Fun Day, Volunteer Appreciation Day, and the Zone Playoffs for the 2015 Alberta Winter Games.

We had representatives attend two Senior Information exhibitions and we also met with four senior groups to tell them about our organization. Four workshops were held (Swimming, Cycling, Arts & Crafts and Creative Writing). We were fortunate to have considerable newspaper coverage of our activities during the year.

Our website was upgraded and seems to be attracting more followers. The Galleries of photos shot at our activities are very popular.

Zone 3 was very well-represented in the 2014 Canada 55 plus Games in Strathcona County. Membership is increasing, but all of us need to "spread the word" and get greater involvement in the Association by Calgary seniors.

The greatest challenge to Calgary 55 plus going forward is going to be getting more volunteers, at all levels, but most importantly at the Board of Directors, to make our activities great experiences for all members.

I wish the new Board and the Association the very best in the coming years.

*Barrie Dargie, President*

### **Safety first**

## Zone 3 looks at National AED Program

The Heart and Stroke Foundation of Canada has developed a national program that provides automated external defibrillators (AEDs) in public places.

Your Board of Directors is currently in the process of applying for the program. For successful applicants, the program provides both a defibrillator and orientation in CPR/AED for up to 10 members.

If our application is accepted, it means Zone 3 will have an AED available on site at our competitions, and members will have the comfort of knowing emergency help is available on site if it's needed.

# Lots of competition for 2015 Winter Games team

by Doug Kyle, Winter Activities Director

We had a very good Winter Games Playoffs in Zone 3 this year with 444 participating in the 12 activities we have playoffs for. This excludes hockey and soccer where a selection process is used.

A real surprise this year was Ice Curling where Coordinator Doug McIntyre

rounded up 112 curlers – a new record for curling, and in fact any other activity. Our other activities’ participation ranged from 15 to 30 – which is very good. It means we have good competitions, and it shows the interest our members have in playing the games.

From our Playoffs we selected our

Team to Lethbridge for the Provincial Games, Feb. 19 to 22. Our Team will be about 175 strong, and will be led by Roy Thomson, our Chef de Mission. Another eight members from Zone 3 will be fills to help other Zones out.

Watch for our results on our website [www.calgary55plus.com](http://www.calgary55plus.com)

# It's 2015. Is your membership up to date?

by Yvonne Armstrong, Membership Director

OMG it is 2015 and there are several 2014 members who need to renew. Why not do this before the summer activities start (see the article below) and then you're set to go.

Remember, if you have filled in a registration form before there is no need to do another. Also, when you buy a membership every year, you have what we call *continuous service*. That's important because continuous service members may qualify for subsidy if going to Provincial Games.

We currently have about 800 members in our database which is the best in Alberta. To keep the database up to date I need to know of any changes in your information.

Please let me know if any of the following changes:

*Address*

*Telephone Number*

*E-mail*

*Activity*

*Partner*

And please inform me if you know of a member who is deceased. You can contact me at **403-274-6720** or by e-mail at **armstby@shaw.ca**.

Hoping to hear from you soon.

## Summer Games playoffs - coming soon!

by Dan Guglielmin, Summer Activities Director

Attention all 55 plus Calgarians! The Provincial Alberta 55 plus Summer Games will be held in Strathmore July 16 – 19, 2015. Calgary (Zone 3) will be holding qualifying playoffs starting April 9 and running through June 14.

Competition is scheduled in 15 different events as well as Creative Writing and Visual Arts and Crafts. There is an activity suitable for everyone – from card games to cycling, swimming, tennis, track and field and more.

The complete schedule of events and registration dates is posted on our website [www.calgary55plus.com](http://www.calgary55plus.com) and is included as an insert in this newsletter.

To take part, you must have a 2015 Alberta 55 plus membership which costs \$30 per year.

In addition to your participation in these summer games playoffs, this annual membership allows your participation in any or all of the 13 different activities in our 2015

Winter Fun Games which are held in the fall of 2015, the schedule to be published in late summer.

So come out and join us for some fun, competition and meet some new friends.

Welcome newcomers; many thanks, retirees

## Changing Faces

Since the last Newsletter we have had the following key personnel additions and changes.

**Lawrence King**, a retired teacher well-known in local sports circles (particularly in track and field), was appointed to the Board late in 2014 and has taken on the role of Assistant Summer Activity Director. Lawrence has been making a strong contribution and is a very welcome addition. Lawrence will also be the Provincial Advisor for athletics in the Alberta 55 plus Summer Games in Strathmore this summer.

**Hayden Kowel**, our long-time City Representative at Board meetings, has been posted to new responsibilities with the City. We thank him for his many contributions and interest in our activities over the years and wish him well in his new responsibilities. His replacement, **Don Patrician**, has been a Sport Development Supervisor with the City for 23 years, and has coached basketball, hockey, soccer, and baseball. He is interested in general fitness and is a golfer. Welcome, Don!

Our new Winter Chef de Mission for the 2015 Alberta 55 plus Winter Games in Lethbridge is long-time member **Roy Thomson**. Roy competed for Zone 3 at Fort McMurray in 2003 and then in seven subsequent Games (combined Summer and Winter). An extremely well-rounded athlete, Roy's specialty is in the athletics field events where he has competed provincially, nationally, and internationally. Roy has been Cross-country Ski Coordinator and assistant Athletics Coordinator. We are very pleased to have Roy take on this very important role.

We are sorry to report that **Verla Boyle** and **Sid Aker** will not be running for the board at this year's AGM. Verla (World Masters Table-tennis Champion) has been the Director in charge of medals and awards. Sid has been the coordinator for Horseshoes and Snooker and has been looking after our outdoor signage and tents. Both will be missed and we thank them for their generous contribution of time.

Appointed Treasurer early in 2014, **Gerald Peatz** has been seriously ill and is not expected to run for that position at the AGM this year. We thank Gerald for his hard work and wish him a speedy recovery so he can get out and play Slo-pitch this summer.
