Message from the President:

..... Alberta 55 plus sent 321 participants to the Canada 55 plus Senior Games held in St. John, New Brunswick on August 21 to 24th. Of those, there were 190 Calgary 55 plus members. This number did not include our ice hockey players. They were all experienced and wonderful representatives for Calgary. Dr. Rob McKinnon, the President of Calgary 55 plus Games Association, presented his committees bid for hosting the 2020 Canada 55 plus Senior Games on August 18th in St John. Later the same day the committee was disappointed to

learn that Calgary was not selected. During the competitions, Rob was very proud to once again captain the Men's 4 X 100 m team. The team had previously won three times in a row.
