Zone 3 Winter Games Schedule

Message from the President

August 18, 2019

Thank you for electing me your new president at the March AGM.

It's an honour to lead this great organization. Also, a special thank you to Dan Guglielmin for his service as president and help during the transition.

I pledge to work along with our members and Directors to continue to carry on the objectives of Calgary 55Plus. This only works if we provide choices that you want to participate in.

Currently, we offer over 30 activities divided between summer and winter. A dedicated group of volunteers coordinate these activities and many of our members participate. Our games are structured for you to have fun. No experience is necessary to join in; we'll show you how to play! There are many different choices available. Play as many as you like and see what most appeals to you. I need your help in making sure that we are giving you the recreational, social, and cultural opportunities you want.

There are many ways you can do this. The easiest and most productive is to participate. Join us at our games, volunteer on our board, attend our annual general meeting, or contact me or any board member with your comments and suggestions. We are a volunteer organization, so we depend on your support.

As you've read in earlier newsletters, our game schedules were recently changed back to a two-year format. Provincial games are held on odd calendar years and the Canada Games are held on even years. Calgary game happen yearly. We're looking to add even more activities. Recently we held a fun day that showcased four current games. It was a great success with over 50 members attending and fun was had by all. I welcome any suggestions on other activities that you would like to see. These events are free to members and a lunch is provided at no cost.

You are our most important asset but its also critical the we keep attracting new members. Help us; come out and try something new and bring a friend.

(Concluded next page...)

Since our last newsletter, we held our summer games and we're currently organizing the next winter games (schedule attached).

Winter Provincial games were held in Cold Lake in March and summer Provincial games were held in Medicine Hat. A strong representation from Calgary attended both and, as is always the case, we earned many medals. Each host city did an outstanding job and friends were met from all over Alberta. A free bus was provided to both events for members.

Canada games are being held in Kamloops in August of 2020.

If you haven't competed or attended any of these events, I strongly encourage you to do so.

Volunteers are the glue that hold our organization together. A notification was recently sent out inviting your help in filling a variety of open positions. Please contact us if you are interested.

Until next time "Life long fitness through active living – fun and friends lighten your heart!"

MEMBERSHIP DIRECTOR REPORT

Congrats to all the medals winners in Medicine Hat and also to all participants who attended, I hear it was a good time had by all.

We have 583 current (2019) current members and about 100 for 2018, some of the 2018 will be renewing their membership for the winter games.

Once again I will ask if you know of any member who has left this world, or if you as a member has changed address, phone number, e-mail or want your name removed from an activity, I would like to know so I can keep the database up to date. Phone 403-274-6720 or e-mail armstby@shaw.ca

As I am also coordinator of the bowling there has been a change in the rules, teams in the past had to be POA mixed (2 Men, 2 Women) and now changed to POA open team (however you want to put a team together) as long as there are 4 persons and have established averages.

Happy Thanksgiving to all and a joyous Holiday Season in December

Yvonne

2019 BOARD OF DIRECTORS

PRESIDENT: Don Everett

PAST PRESIDENT / ACTIVITY DIRECTOR SUMMER: Dan Guglielmin
